## Award-Winning Care

The American Health Care Association/National Center for Assisted Living (AHCA/NCAL) recognized Hunt Nursing & Rehabilitation with the Silver Achievement in Quality award, the second step toward the Gold Excellence in Quality recognition. This prestigious award is given to select facilities across the nation that serve as models of performance excellence and continuous quality improvement in long-term care services. Consistent positive feedback on satisfaction surveys, conducted by an independent national firm, placed us among the top 10% in the nation and earned us the Excellence in Action award for customer satisfaction. Hunt Nursing earned the Bronze Commitment to Quality Award in 2012 and the Silver Achievement to Quality Award in 2014.

**Berkshire Healthcare** is a not-for-profit consumer-centered organization committed to fulfilling the health and residential needs of the population in the communities we serve. Our network of resources and healthcare professionals allows affiliated facilities to consistently deliver the highest quality of care.

# A Team Approach to Patient-Centered Care

Hunt Nursing and Rehabilitation Center is a rehabilitation and skilled nursing facility set on a hill in a residential Danvers neighborhood near several hospitals. We have been caring for people in the North Shore area since 1976, providing top-quality, personalized rehabilitation, nursing and long-term care in a warm, homelike setting.

## A Network of Caring

Locally run and staffed by caring and attentive North Shore-area healthcare professionals, Hunt Nursing is backed by Berkshire Healthcare, one of the largest, not-for-profit, long-term care providers in Massachusetts. This affiliation gives us the tremendous advantage of access to an extensive network of top healthcare professionals and other resources to support our programs and services.

Our core team includes nurses and nursing assistants, rehab therapists, social workers, activities staff, a dietitian, and our medical director. Together these professionals create a personalized care plan based on the individual's strengths, needs and abilities.
